**Re: United States v. Andrei Tyurin,**  
15 Cr. 333 (LTS)

Dear Judge Swain:

The Government, with the defendant's consent through his counsel, Florian Miedel, respectfully submits this letter to request an adjournment of the upcoming conference, presently scheduled for September 6, 2019, in this matter. The parties have been engaging in fruitful negotiations to resolve this matter short of trial, but need additional time to finalize a disposition. Accordingly, the parties respectfully request an adjournment until September 5 at 10:00 AM or September 23 at 2:30 PM, times that Chambers has indicated the Court is available.

The parties further respectfully request that the time until the date of the rescheduled conference be excluded pursuant to the provisions of the Speedy Trial Act to permit the parties to finalize discussions regarding a pretrial resolution of this complex matter.

A proposed endorsement for the Court's consideration is below.

Hon. Laura Taylor Swain

**ENDORSEMENT:**

Upon the application of the United States of America, by and through Assistant United States Attorney Eun Young Choi, and with the consent of the defendant by and through his counsel, it is hereby

ORDERED that the conference in this matter is adjourned until September 23, 2019, at 2:30 PM, and it is further

ORDERED that the time between the date of this Order and September 23, 2019 is excluded under the Speedy Trial Act, 18 U.S.C. § 3161(h)(7)(A), in the interests of justice.

The Court finds that the ends of justice served by granting a continuance outweigh the best interests of the public and the defendant in a speedy trial, because it would permit the parties to further discuss a possible pretrial disposition of this complex matter.
